

eStatements REGISTRATION INSTRUCTIONS

eStatements are electronic copies of your account statements that you can view online and search for specific transactions and checks. You can also save your statements to your computer, or print a copy to keep in your records.

Are you currently registered for online banking? If NO, please take the following steps:

1. Access www.securitysavings.com
2. Click on “enroll” located in the login box
3. Complete the online form. We will verify your information is up-to-date. Your internet banking registration is automatically approved as long as your application entries match with the information on file at Security Savings Bank. If not, the bank will contact you. Sign in with your “Sign-On ID” and the password you selected during the registration process.
4. To complete the registration process, a verification form will be mailed to you. This form must be signed and returned to the bank within 14 days of receipt. If the Verification Form is not returned by the deadline noted on the form, your access to online banking services will be suspended.
5. **eStatements** are available to online banking users. *After registration in online banking,* click on the **STATEMENTS LINK** to complete your eStatements Registration.
