

## **eStatement REGISTRATION INSTRUCTIONS**

eStatements are electronic copies of your account statements that you can view online and search for specific transactions and checks. You can also save your statements to your computer, or print a copy to keep in your records.

**Are you currently registered for online banking? If NO, please take the following steps:**

1. Access [www.securitysavings.com](http://www.securitysavings.com)
2. Click on ENROLL in the upper right hand corner
3. Complete the information and submit the enrollment
4. Respond to mail and email follow-up instructions to complete the registration process
5. After you have received your first printed statement, click on **ADDITIONAL SERVICES** tab
6. Register your account for electronic statement delivery

**Are you currently registered for online banking, but not eStatements? After you receive your first printed statement, please take the following steps:**

1. Sign into online banking
2. Click on the **ADDITIONAL SERVICES** tab
3. Register your account for electronic statement delivery

**Do you currently receive other Security Savings Bank account statements electronically through online banking?**

1. Tell us that you are currently receiving electronic statements
2. Your account will be updated to electronic statement delivery

**Additional Information:** Electronic statement delivery is a separate process **and is in addition** to reviewing your account activity in online banking. When registered for electronic statement delivery, you receive an email alerting you that your statement is available and can be accessed through the **ADDITIONAL SERVICES** tab. Your eStatement has the same look as a printed statement.
