

## Security Savings Bank eStatement Disclosure

By enrolling in the eStatement program, you agree to receive your statement information in electronic format, accessible through Security Savings Bank's online banking service. You will no longer receive a paper statement mailed to your home. If you wish to receive a paper copy of a statement, you can print the statement provided to you via the electronic process. You may also contact Security Savings Bank to request a printed copy of your statement to be mailed to you. You may be charged a fee to have Security Savings Bank provide the printed statement copy.

Once you have registered for electronic statements, all of your eligible statements will be changed from paper to electronic access. Please contact Security Savings Bank if you wish to exclude specific account from electronic format.

You will receive an email notification at the time your statement becomes available for viewing. It is your responsibility to access the statement information.

Please maintain your current email address in the online banking user profile. If the bank is unable to contact you via email to inform you of statement availability, you assume the responsibility to access your statement information via the online banking system in a reasonable time frame based on your historical statement delivery date.

If you wish to discontinue the electronic delivery of your statement and return to the standard mail delivery of a paper statement, please contact Security Savings Bank at 309-734-9333 or send a message from the online banking system.

You may also receive additional account information including disclosures required under various banking regulations and consumer disclosure laws. You agree to the receipt of these consumer disclosures in electronic format.

You may need Adobe Acrobat Reader or a TIFF viewer to view your documents.
