## Bill Chapin Elected Kiwanis President

Officers were elected for the 1976-77 year at the Tuesday evening meeting of the Kiwanis Club at Meing's and Bill Chapin is the new president. Other Officers are: Irvin Haase, first vice president; Bob Schutte, second vice president; Dave Nicholson, secretary; and Jim Olson, treasurer.

Named to the board of directors were, Graham Riddell, Ted Stansell, Mickey McInerney, and Bill Hines.

Kiwanians also had a victory dinner for the success of their Pancake Day which netted \$1,771.

Slides were shown of Pancake Day and awards-in-kind were given to the Day's ticket salesmen. Top salesmen received steak; second-place salesmen received chicken; third-place salesmen received ham burger; and finally those who are not very successful received some recognition for their efforts — beans.

It was the night before Christmas this story takes place,  
It is also to be known as the "Great Closing Race."

The employees were busy at Security Savings <sup>in</sup> Spain,  
Trying to balance so all could go home.

The totals were printed with computerized speed,  
Jimmy said, "A mistake tonight is all that we need."

Funny Jimmy should say that — for in store was <sup>that</sup> ~~the~~  
The need for a mistake was definitely fulfilled.

The phone was still ringing like bells on a sleigh,  
And Carol answered politely, "Can we help you today?"

The voice on the line said, "What's the excheat laws?  
And from the tone of the voice Carol thought it was Jaws."

Bill was back typing — his speed a slow gallop,  
He said to late payers, "You'd better start Chapin Up!"

Bill's only cohort — the good Roger M,  
Was really quite busy making goodwill towards men.

The savings department offered gifts that were splendid,  
Roger was passing out burnt-up old spare ribs.

Still trying to balance Jack made one more tally,  
He said, "I've a big date tonight so let us <sup>not</sup> dally.

What's that in the office so lively and quick,  
Why it's decorator Betty playing good Ol' St. Nick.

Betty gives blankets and hams and nice cookie platters,  
And scales to show if Christmas has made us thinner  
or fatter.

Carol number 2 likes to handle the mobs,  
She's always been good at pulling off a Conn job.

Finding the mistake Mike draws the applause,  
And once again proves there is too a Santa Claus.

Wendell greets the people as they begin to leave,  
You'd think it was the Stronghurst fair - not  
Christmas Eve.

Laurie begins to close up the big vault,  
When from the back of the room comes a ~~hall~~  
commanding ~~hall~~.

Everyone gather says Mr. Ralph Whiteman,  
Before we all leave we must have some fun.

Billy Morrison turns to see if he heard right,  
And puts down his tools to join in with delight.

MEMO TO SECURITY SAVINGS & LOAN ASSOCIATION

Hi there, sleighbell lovers!

Once again it's time to bring out the mistletoe and put the runway lights on your rooftops. As in the past, the famous Claus and I are going to make the rounds and jingle our way down the chimneys of all you good kids.

However, I've heard some rumors through the ivy-vine that just sleighs me. Some of you candy-canes don't have the Christmas spirit!!! Now, to help you get that RED AND GREEN FEELING, here are a few suggestions I've listed just off the top of my antler:

- 1) Get the troops together and sing Xmas carols (or Xmas Ralphs or Xmas Rogers)
- 2) Re-read Charley Dicken's " The Three Christmases of Eve"
- 3) Grow a beard and spray-paint it white
- 4) Take an elf to lunch
- 5) Try splashing on some jasmine instead of that "Evening in Paris" you've been wearing
- 6) Have Fred Jenks write you up a Reindeer-Collision Policy
- 7) Have Ralph Whiteman take you for a scenic cruise in his "sled"

In closing, may I say that I hope you will find the Christmas spirit, and when you do, leave it on the fireplace mantle with a glass and a bucket of ice.

MERRY CHRISTMAS TO ALL,

### Security Savings

Security Savings held their annual Christmas Party for their staff, Board of Directors and Henderson County Advisor Board Friday evening.

To the tune of  
"On Top of Old Smokey"

At Security Savings  
We are number one  
With employees like this,  
You just wonder how it's done.

We are all so friendly,  
We never have a fight  
But we have no reason  
Cuz everyone's right.

Ralph Whiteman's our leader  
He is such a card  
But as an employer  
He works us so hard.

Betty Selby's with savings  
She's the best in this town  
But when she's not working  
She's horsing around.

Bill Morrison's the treasurer  
If the books are not fine  
And if we are over  
We divide it by nine.

Now Debbie's Bill's daughter  
She really favors him,  
We really do like her  
Now let's talk about Tim.

Tim Owen appears smart.  
This impression leaves no doubt  
But once you get to know him,  
The real truth comes out.

Juanita's efficient  
She has that certain look  
We'd all be better off though  
If she were hired as a cook.

Bill Chapin's a worker  
He gets the job done  
He says he's out appraising  
But boy is he having fun!

We three are all tellers  
And we're out of luck  
For we're at the end where  
We can't pass the buck.

The directors have their meetings  
Of these we have learned  
There's one thing they agree on  
"I move we adjourn."

We love our surroundings  
The old building's unique  
For there's not many places  
Where the light fixtures leak.

The new building's arising  
Though a little bit late.  
We hope to be in it  
By seventy-eight.

So now you can see why  
We are so well known  
For there's no place in the world  
Like Security Savings and Loan!

(Each verse is followed by a  
refrain of Um pa pa's.)

## Heaton joins Security Savings

Gary Heaton

GARY HEATON, CPA, has been named assistant vice president for finance at Security Savings.

He will head the operations department. His primary responsibilities will include management of the firm's investment portfolio, computer operations, tax and audit functions, service corporation accounting, supervision of departmental personnel and he will report directly to the managing officer.

Heaton is a native of Bushnell and a graduate of Western Illinois University with a degree in ac-

counting. He has been a CPA with Murphey, Jenne and Jones, certified public accountants at Monmouth and Decatur for the past six years.

He and his wife, Jonalyn, live at 525 North Eleventh St. Mrs. Heaton teaches in the Southern School District.

## Savings and loan firm hires Bushnell man as staff CPA

MONMOUTH — Gary Heaton, a certified public accountant, has joined the staff of Security Savings and Loan.

Heaton will serve as assistant vice president for finance, and will head the operations department. His primary responsibilities will include management of the firm's investment portfolio, computer operations, tax and audit functions, service corporation accounting, and supervision of departmental personnel.

Ralph Whiteman, president of Security, said the growth of the institution in both asset size and scope of services prompted the addition of a certified public accountant to the staff. He said Heaton, in addition to a broad experience in general accounting, has had experience with financial institution operation and this background would be particularly valuable to the firm.

Heaton is a native of Bushnell. He graduated from Western Illinois University. He has been a CPA with Murphey, Jenne and Jones, certified public accountant's in Monmouth and Decatur for the past six years.

WINTER UNDERWEAR

To the tune: Winter Wonderland

December 19, 1981

First Verse:

In the fall when it's chilly  
And you don't mind looking silly,  
Take our advice!  
Lick snow and ice!  
Get yourself some winter underwear!

Though the knees...they are baggy,  
And the seat is kinda saggy  
You may look a fright!  
But you're warm at night!  
Sleepin' in your winter underwear!

000C0000H!

At the club you'll be a big sensation.  
All the gang will laugh until they die!  
All in all, your only compensation....  
You will have the last laugh bye & bye!

When Ralph says....."We need more money  
To keep this place all bright and sunny."  
Our suggestion is this:  
The offer can't miss!  
Give a premium of winter underwear.

Second Verse:

Now Club 60 went to Michigan  
And we're sure that they did wish again  
They'd been wise to the cold  
As the weather man told  
And packed their bags with winter underwear.

If the assets get in trouble  
There's no need to pop the bubble.  
Improve traffic flow!  
Put on a big show!  
And dress the staff in winter underwear!

0000000000H!

Don Makeever climbs a lot of ladders.  
Tim's a nut for constant exercise.  
Stan's Security's answer to Liberace.  
Betty is Mother Hen to all us guys.

By the way, while we're about it!  
Here's the truth, and don't you doubt it!  
Above all the rest!  
Security's best!!  
Embroider THAT on your winter underwear!

IT IS HEREBY PROCLAIMED that Dorothy Aszman and Leslie James be recommended for graduation from Monmouth College and presented with the appropriate diplomas. This proclamation has been made for the following reasons:

DOROTHY ASZMAN--alias Delightful Dot  
alias Young Dot  
alias Dot your i's and cross your t's

For superb performance in your academics this diploma is manifest.

But for the following reasons this diploma represents great achievements:

- September 1979 Upon arrival in Monmouth your mother was aghast as you rolled your window down and mooned while going down North Main Street. However, no harm was done as everyone thought it was the bald head of David Hallam.
- November 1980 What a hit you were at the All-Campus Toga Party when you stuffed 134 grapes in your mouth and then proceeded to recite the Gettysburg Address. The amazing fact was not that you recited the address distinctly, but that there was still room for more grapes.
- May 1981 Your swim suit had to be retired and placed in the Hall of Fame trophy case after 52 rear end collisions occurred as a result of your sunbathing. Since that time sunbathing has been banned from the median strip of Highway 34.
- January 1982 During the Winter Festival at Monmouth College your ice sculpture would have won 1st prize had it not been your using John Melone as your model. The heat generated from the Sorority judges melted the statue before it could be judged.
- May 1983 Your presence at the Warren County Retired Teachers Dinner Party at the college turned that evening into one they will always try to forget. When you spiked the punch with Everclear you got a little carried away. Old Miss Brissey drank so much punch she passed out before the Invocation. Mr. Handly made a pass at Mrs. Straight, she bit him and her teeth stuck into his arm and came out of her mouth. If that wasn't bad enough, Miss Prudey—who had never even looked at alcohol—got so intoxicated that she started doing a strip tease during the singing of School Days, School Days. Needless to say, you will not be needed as a waitress at next year's party.

For all of these past achievements, we say WELL DONE!!!!!!!!!!

LESLIE JAMES—alias Jesse James  
alias James Stewart  
alias Les Nessman

And your great achievements to date:

- September 1979 You too arrived with a great deal of pomp and circumstance at Monmouth College. Your riding a St. Bernard through campus yelling "I'm mad as hell and I won't take it anymore" did not impress the Dean of Women, but she did learn your name rather quickly and she met your parents—several times.
- August 1980 After calming down from the St. Bernard experience, you proved to be a model Freshman student and earned the right to greet the new Freshman class of 1980. Once again your true colors came through and during your speech to them you referred to the college president as "The Bronze Turkey" and reported to the new students that Dr. Haywood was an old tradition that was passed back and forth between Knox and Monmouth Colleges.
- March 1982 How unique of you to show your support of the Athletics at Monmouth College by leading a "jockstrap raid" at the ATO house. Did you ever find the owner of the one lined with fur?
- February 1983 Senioritis had really hit you. What possessed you during the evening of Valentines Day when you strode into the student cafeteria wearing only your heart on your sleeve? Is that what you're learning in the Non-verbal Communication Class? Once again the Dean of Women was not impressed—but the Dean of Men had a pretty good time.
- June 1983 And now your Swan Song to Monmouth College. I'd sure like to be there when you ride that St. Bernard with a fur lined jock strap up to the stage to receive your diploma from The Bronze Turkey.

And likewise to you we say WELL DONE!!!!!!!!!!

APPRECIATION DAY  
1985

Person 1: Ralph went out to lunch one day  
SOMEBODY SNITCHED ON HIM!  
Got in his Van to back away,  
SOMEBODY SNITCHED ON HIM!  
He tried to back so carefully,  
Bumped a car; began to pray,  
Rubbed the damaged spot away,  
SOMEBODY SNITCHED ON HIM!

Chorus HE'S GETTING NUTTIN FOR CHRISTMAS  
HE IS REALLY SO SAD!  
HE'S GETTING NUTTIN FOR CHRISTMAS  
CAUSE HE AIN'T BEEN NUTTIN BUT BAD.

Person 2: Gary Heaton can't be found!  
SOMEBODY SNITCHED ON HIM!  
We're always looking all around.  
SOMEBODY SNITCHED ON HIM!  
He might be underneath his desk  
Trying hard to get some rest,  
If he's not, it's your best guess!  
SOMEBODY SNITCHED ON HIM!

Chorus

Person 3: A customer sat in Roger's chair  
SOMEBODY SNITCHED ON HIM!  
He really gave him quite a scare!  
SOMEBODY SNITCHED ON HIM!  
He tumbled out so handily  
Said "that chair is slippery"!  
Roger laughed, so naturally--  
SOMEBODY SNITCHED ON HIM!

Chorus

Person 4: Connie Miller likes to shop.  
SOMEBODY SNITCHED ON HER!  
A sale on jeans is surely tops!  
SOMEBODY SNITCHED ON HER!  
The zipper caught her panty hose,  
Tight inside the jeans she froze  
How she got out, only Connie knows!  
SOMEBODY SNITCHED ON HER!

Chorus

Person 5: Jim comes to work each day,  
SOMEBODY SNITCHED ON HIM!  
But he tries real hard to slip away  
SOMEBODY SNITCHED ON HIM!  
His secretaries can be found  
Looking for him all around  
When he returns he calmly says,  
"I've only been gone 5 minutes."

(Everyone "HA!")

Chorus

Person 6:

Cindy Linman loves to laugh!  
SOMEBODY SNITCHED ON HER  
But it sometimes raises people's wrath.  
SOMEBODY SNITCHED ON HER  
A lady caught in the teller machine,  
"Let me out!" is what she screamed.  
Cindy laughed at such a scene.  
SOMEBODY SNITCHED ON HER.

Chorus

Person 7:

Stanley Jenks loves M & M!  
SOMEBODY SNITCHED ON HIM.  
Denver's seminar had lots of them!  
SOMEBODY SNITCHED ON HIM  
Now in Denver he can't show his face,  
Every dish of candy in the place,  
He emptied into his attache' case!  
SOMEBODY SNITCHED ON HIM!

Chorus

FINAL CHORUS:

NEXT YEAR THEY'LL BE GOING STRAIGHT!  
NEXT YEAR THEY'LL BE GOOD -- JUST WAIT!  
THEY'D START NOW, BUT IT'S TOO LATE,  
CAUSE SOMEBODY SNITCHED ON THEM.

OH--THEY'RE GETTING NUTTIN FOR CHRISTMAS  
ETC.

1986

Twelve prize winning entries in Security Savings And Loan's Baking Contest at the Warren County Fair were auctioned off Wednesday evening. ### SECURITY SAVINGS TIPS ITS HAT TO DAISY BROOKS

Recipient of its 1987 "Spirit of Monmouth Award"

The Security Savings Spirit of Monmouth Award is presented annually to an outstanding citizen of the area who personifies the attributes of service, loyalty and dedication to this community.

The 1987 recipient easily qualifies in all respects for this award. Among her many achievements are:

She is the inspirational and motivating mother of nine children, eight of which attended Monmouth College. Six of the children have college degrees, including a PHD candidate. Some of the other accomplishments and contributions of her family include a son who was named as Little All-American Football Player, a daughter who is the wife of a Colorado State Senator and a Lieutenant Governor candidate, a son who is a former teacher and now a physicist for a major company, and a family who achieved in a variety of areas including academics and athletics. With the recent deaths of nationally known figures such as Jackie Gleason and Fred Astaire reminding us of our own mortality, what a living memorial and assurance of immortality our honoree has in this outstanding family.

But the accomplishments of this year's recipient only begins with her family. She was born in Clydesville, Georgia, moved to Chicago where she spent her teens and then moved to Monmouth when her father was assigned as the pastor of the St. James AME Church. Monmouth's good fortune was that she married here and became a permanent resident of this community.

In addition to her family responsibilities, she worked as a much sought after and popular cook for the Monmouth College Food Service, the Sig EP and ATO Fraternities. This association reinforced her life long history of love for, and influence on, the youth of this community.

In spite of a busy schedule as wife, mother and with her employment responsibilities, she found time to serve as District PTA President, Board of Directors of Jamieson Center, Brownie and Cub Scout Leader, president of many organizations including Agnes Moody Club, Community Memorial Hospital Auxillary and Illinois Association of Girl's Clubs. Among many previous awards, she was named as Altrusa Woman of the Year.

Her many church involvements have included service as teacher and superintendent of her Sunday School, Financial Secretary, Choir Director and Accompanist and President of the Church Council. In her Golden Rule Missionary Society, she has held various offices including that of Regional President. How appropriate and symbolic of this lady is the title of Golden Rule which she so appropriately personifies.

If it happens in Monmouth... and if it involves our youth, you can usually find our ever smiling Daisy Brooks involved.

Security Savings is proud to present the 1987 Spirit of Monmouth Award to Daisy Brooks.

ODE FROM MARGE

I tried to burn my bridges.  
I tried to go away.  
I tried to leave this crazy bunch  
For a new life....bright and gay.....Gay??

But circumstances intereferred  
And reason overcame  
My flight into new challenges.....  
The tough insurance game.

My desk was here, my files were neat,  
My roommate still in place.  
Won't someone take my roommate, please  
Is there no other space?

Barb heard the news  
That Marge was back.  
She simply could not stand  
Enduring more shenanigans  
That Salaway had planned.

To prison she indeed would go.....  
Anything would be better!  
Putting up with Chapin  
And with Kane was going to get her!!

Kidding aside, my hearty thanks  
To Ralph, Betty, and Suz  
And others who picked up my tasks.  
It's time to pay my dues.

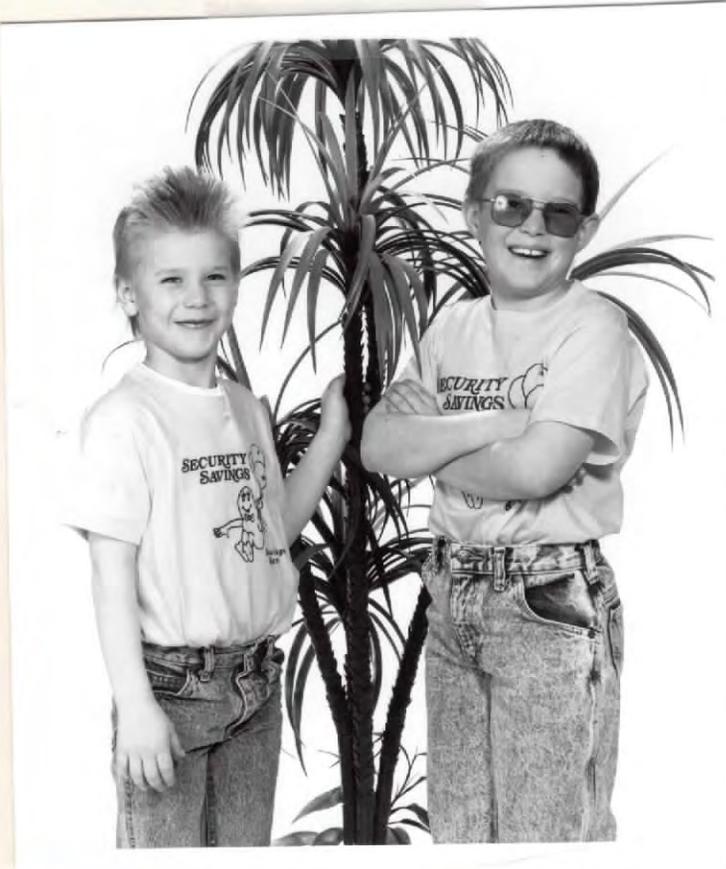

It's really great  
To be back here.  
I'm really glad! I am!!  
Now to the problem of the day....  
What shall we do with Stan??

## THANK YOU

The family of Wendell Whiteman wishes to thank everyone for the seen and unseen expressions of concern and support during our recent loss. We are deeply grateful for the many contributions to Wendell's Memorial Fund, the beautiful floral arrangements as well as the thoughtful food remembrances for the family members. The heartfelt cards, warm visits and words of hope and condolence were greatly appreciated during a difficult time. To the Reverend Hazen, Dr. Willhardt, soloist C.P. Patterson, organist Dorothy Arthur and pianist Gracie Peterson, we extend our thanks for the beautiful service. A special commendation to Dr. Patel and all the Community Memorial Hospital staff—thanks for their outstanding care and assistance. We express our gratitude to the Presbyterian Women and Icebreakers for serving refreshments after the service, to the pallbearers, to our neighborhood volunteers, the Security Savings staff, and the Turnbull Funeral Home staff for the excellent arrangements.

## A TRIBUTE TO THE EMPLOYEE WHO SERVED SECURITY SAVINGS LONGER THAN ANYONE ELSE IN ITS 110 YEAR HISTORY.

The staff at Security Savings sadly bids farewell to former employer, co-worker and friend, Wendell Whiteman.

After 50 years of service and dedication to Security Savings, Wendell Whiteman, at the age of 90, passed away on January 30, 1992 at Community Memorial Hospital in Monmouth.

Wendell was born April 29, 1901 in Biggsville, and was the son of Alexander F. and Jessie McMillan Whiteman. He was raised and educated in the community of Biggsville. He later attended Brown's Business College and Monmouth College.

Wendell married G. Lucille Zimmerman on April 19, 1924. She preceded him in death on November 18, 1982. Surviving are their three sons, Ralph E. Whiteman of Monmouth, Richard W. Whiteman of St. Joseph, Michigan and Donald C. Whiteman of Scottsdale, Arizona. Wendell has nine grandchildren and six great-grandchildren. Also surviving Wendell are his brothers, H.M. "Mac" Whiteman of Galesburg and Russell Whiteman of Grand Junction, Colorado.

Wendell joined the Security Savings & Loan Association 50 years ago as president of what was then Monmouth Homestead and Loan. The staff at that time consisted of three employees. Over the years Wendell saw the Monmouth Homestead and Loan become Monmouth Savings and Loan and later Security Savings and Loan. Wendell's figure was a familiar presence through each change.

Wendell Whiteman's memory will be with the staff of Security Savings, as well as, its loyal customers forever.

I, Cody Ryan Whiteside surprised Mommy and Daddy by a special appearance at 2:11 a.m. on Thursday, April 16th at St. Francis Medical Center. Arriving 3 1/2 months premature, I weighed 1 lb. 13 1/2 oz. and was 13 1/4 inches long. I am a tough little guy and my doctors say I am doing exceptionally well! Hopefully I will come home to my own crib sometime in July. See you then.

*I just wanted to thank you all again. Your thoughts and prayers have truly made a difference. Cody is nothing short of a miracle!*

*To the Savings & Accounting Dept's - the flowers were beautiful and were enjoyed by many. I continue to enjoy the artificial arrangement (its in the NEW bathroom!)*

*Thanks again -

Whether it was a card, a phone call, flowers or gifts, we would like to thank you sincerely for your thoughtfulness, concern and prayers.

Without the support and love of family and friends, the most difficult time of our lives would have been unbearable. Hopefully, very soon we will be able to carry our new little boy home and share the joy we feel with everyone!

All our love,

Dear Stan & Security Saving Staffs.  
I hope everybody is fine and working hard. I arrived in Hong Kong about a week ago. The city is beautiful that is if you are looking outside of the plane's window at night. But the city itself is over populated and polluted. The University is located outside of Hong Kong City. This University is made up of 4 colleges, which is wide spread on top of mountains. The campus is beautiful and majority of the students here are friendly. Shopping & eating is what Hong Kong is all about. The price for these 2 are very cheap, of course I don't know about the quality of some of the clothes. But one thing I can say is the food is excellent. There are plenty of things to keep me busy here, I guess that's why I'm not home with you.

I'm having a great time at the same I'm learning the Chinese culture. The classes that I'm currently enrolled in are all being taught in English so that is a relief. I'm also plans to travel to China, once I'm settle in with school. Well I just wanted to say hi and let you know that I'm fine and having a good time.

## THANK YOU SECURITY & SAVINGS:

We had a great time at the Monmouth High School "After-Prom", and your contribution is one reason why the night was so successful. This year's "After-Prom" was even bigger and better than last year's, and on behalf of Monmouth High School and the parents of the Class of 1994, we would like to thank you for your support. Without the many contributions from the business community, the substance-free "After-Prom" would not have been as exciting or as enjoyable for the many students who attended.

A HAPPY  
HOLIDAY  
SEASON

Reef

DEAR PERSONAL,

12/23/93

I am sorry to cause you the inconvenience on this account.

I keep it because of a sentimental feeling I have for your organization, and, the respect, and, gratitude I had for Mr. Wendell Whitman.

Mr. Whitman pressured the board in 1941 to give my wife, and, I a loan to buy our first house.

He then "went out on a limb", and, loaned us money to build our Supermarket in 1944. Sincerely  
Harry H. Owen

Security Family,

May the Christmas season  
and all the year through  
be filled with His joy,  
peace and love  
for He cares greatly for you!

*Have A Blessed  
Christmas Season*

Merry Christmas! You'll  
always be special to me!  
Love, Leigh

" 'Glory to God in the highest, and on earth peace, good will  
toward men.' "  
LUKE 2:14

Time is so precious these days...  
somehow it seems  
there just isn't enough time  
to do everything we want to do.  
But you've taken time to think of me  
in such a kind and thoughtful way...  
and that says something  
about the special kind of person  
you are.

I don't quite know how  
to thank you...  
but I want you to know  
how much your kindness  
meant to me.

*Thank You*

Once again the Security Savings  
family has come through.  
Thank you for all your support  
during my Dad's illness and death.
